MAXIM ANNOUNCES ORGANIZATION OF TWO NEW BUSINESS GROUPS

SUNNYVALE, CA–May 13, 2005–Maxim Integrated Products, Inc., (Nasdaq: MXIM) announced today a new corporate organization that centers around two new business groups.

The Portable, Computing, and Instrumentation Electronics group consists of ten Business Units, each headed by a Vice President or Managing Director. This group reports to Group President, Tunc Doluca.

The Multimedia, Automotive, and Telecommunications Electronics group is comprised of seven Business Units. Its President is Pirooz Parvarandeh.

Worldwide Manufacturing will remain centralized reporting to Senior Vice President Vijay Ullal and Vice President Rich Hood.

All of these executives will report directly to CEO Jack Gifford as well as the Financial and Planning organizations.

Maxim Integrated Products is a leading international supplier of quality analog and mixed-signal products for applications that require real world signal processing.
